3. The research required for the production of these dynamos was carried out at MEZ Vyvoj (Development), National Enterprise, located at Svitavska ul. 3, Brno-Husovice, which was the research institute for the MEZ enterprises. In addition to MEZ Zidenice, MEZ Nachod, National Enterprise, in Nachod 5025N-1610E/ was engaged in the production of dynamos of this type.
